

Prof. Joerg Lahann

Department of Chemical Engineering,
University of Michigan

▶ "Multifunctional polymer
particles and fibers by
electrohydrodynamic co-jetting"

Wednesday,
16 December, 2015

12:00 refreshments
12:30 lecture

Wang Auditorium
The Dalia Maydan Building
Faculty of Materials Science and Engineering

RBNI
Monthly
Seminar
Series
2015
